At Delta Dental of Oklahoma (DDOK) advancing the oral wellness of all Oklahomans is part of our company’s not-for-profit mission. We care deeply about the citizens in this state we call home, and believe every Oklahoman should have access to proper dental care.

Delta Dental is proud to serve as the dental benefits provider for more than one million people in our state. DDOK offerings accommodate all Oklahomans from individuals and families, to small businesses, to large corporations. More than 8,250 businesses partner with DDOK to improve and protect the oral health of their employees and their families, and our enrollees can be found in all 77 Oklahoma counties.

DDOK’s commitment extends far beyond the reach of our subscribers and their families. In 1998, we established the Delta Dental of Oklahoma Foundation to advance our not-for-profit mission. We have distributed more than $20 million through our foundation to provide free dental care and education to Oklahoma’s youth, support the education of future dentists, and grants to public health programs throughout the state.

Five (5) Major Points of Differentiation are what separate us from our competition:

- We are local – more than 125 people perform 100 percent of our administrative function from our headquarters in Oklahoma City
- We have the largest networks – 94 percent of Oklahoma dentists participate in our networks
- We are focused – dental benefits are our only business, which makes our members’ oral health our No. 1 priority
- We are not-for-profit – we have no shareholders and put people before profits
- We give back – our Foundation is funded entirely by proceeds from DDOK and awards approximately $2 million in grants annually to fund and facilitate dental health and education

We recognize that none of this is possible without dedicated, passionate employees that are committed to our constituencies and mission. To recruit and retain quality talent, Delta Dental of Oklahoma (DDOK) provides a competitive benefits package. Following is a brief overview of our offerings:
